## Capricon 36: Once Upon A Capricon...

You know that feeling when you're reading an amazing book and you're really into it and then it ends? Yeah, we're not fans of it either. We just want the story to keep going! Alas, the Capricon 36 story cannot continue on—our hotel contract was just for the one weekend...

We had a wonderful convention, and thank you all for coming to be part of this year's story! We hope you enjoyed yourselves and left with some great new stories to tell people about fandom and Capricon.

Honoring our literary, storytelling roots, we now present to you the CliffsNotes version of Cap 36!

- 1018 attendees!
- 21 at-con volunteers!

## Capricon 36 Gaming

The Capricon Game Crew would like to thank everyone who popped in over the weekend to escape reality and play some games! We would like to extend our eternal gratitude to Rio Grande Games, Looney Labs, Slugfest Games, and Mayfair Games for their generous donations to the library this year.

If there was a game you wanted to play but we didn't have, if you really enjoyed a particular event, or if you have an idea for something new next year, shoot us an email to [gaming@capricon.org](mailto:gaming@capricon.org) and let us know. We hope you had a great time and look forward to sharing the tables with you again next year.
